Dear Sir:		<b>J</b>	

In response to the Notice of Non-Compliant Amendment (37 CFR 1.121) dated December 18, 2002, Applicant respectfully re-submits the Preliminary Amendment to include a marked-up version of the replacement paragraph amended as originally filed in the Preliminary Amendment. Applicant believes that the submission of the marked-up version of the replacement paragraph as required by 37 C.F.R. § 1.121(b)(iii) to supplement the Preliminary Amendment overcomes the objection raised in the Notice of Non-Compliant Amendment. A clean version of this replacement

paragraph is also included in compliance with 37 C.F.R. § 1.121 (b)(ii). The marked-up version and clean version are re-submitted to supplement the Preliminary Amendment.

Respectfully Submitted, HOLME ROBERTS & OWEN LLP
